Dear Mr. Suchoski,

According to our files, MRC filed a Notice of Declaration on July 7, 1980 with your office, for approval for start up of mining operations on the John Mine. Also, on June 9, 1980, MRC filed a revised Notice of Intent. To date, we have not received a reply to such requests.

Is the John Mine approved for mining operations? Are there additional requirements prior to approval?

Please advise,

Sincerely yours,
